10. RESIDENTIAL SERVICE - GRANDFATHERED

10.1. GRANDFATHERED RESIDENTIAL LOCAL SERVICE

All Residential Local Services contained in this Section are withdrawn effective April 21, 2008.

To facilitate a smooth transition, beginning April 21, 2008 Comcast will place remaining subscribers into a soft disconnect status on a phased basis. During this period, the Company will work with each subscriber to transition them to the service and/or provider of their choice. Although it is the intent of the Company to move through this process in a timely manner, subject to the number of subscribers remaining and their service selection, this soft disconnect process may extend into a May, 2008 timeframe.

10.1.1. OFFERS

Offers include Packages, Block of Time Offers and By the Minute Offers, and are provided in conjunction with an associated long distance service provided by the Company. Customers subscribing to offers which include long distance usage must be presubscribed to Comcast for both Intrastate and Interstate long distance. Rates for Interstate and International usage may be found in the Comcast Service Guides located at <http://www.comcast.com/tariffs>. Additional lines may be ordered at rates specified in this section.

A. Packages

The following packages provide the residential customer with one access line, unlimited local calling, the specified features or Feature Package (described in Section 7 of this tariff) and either a usage rate, a block of time, or unlimited usage, all of which apply only to direct dialed domestic long distance calling.

Block-of-Time usage is measured per month, based on all applicable usage on all lines associated with the account. Additional intrastate long distance usage will be rated on a per minute basis as specified in Section 9 of this Tariff. Unused portions of the monthly allowance will not be credited to a subscriber's account, carried over to another month, or transferred to another account.

By the minute usage charges apply to intrastate long distance Dial Station calling rated on a per minute basis as specified in Section 9 of this Tariff.

Additional custom calling features may be ordered by the customer on an ala carte basis at an additional charge.

 - c. Usage credits are applied per account, are not transferable and may not be accumulated from one month to another. Unused minutes in any month revert to the Company.
 - d. Due to the bulk nature of the usage, call detail is not provided.
 - e. Service is limited to residential voice applications and the use of service is limited to the customer, members of the customer's household, and occasional guests. The use of the service for commercial applications, resale, internet access or telemarketing is prohibited. In addition, the use of auto dialers, polling devices, remote access to call forwarding, three-way calling (other than incidental usage) and other devices and/or dialing arrangements with the intent to avoid payment of otherwise applicable long distance charges is prohibited.
 - f. The Company will undertake periodic reviews of traffic on its network to determine appropriate use of this calling plan. Indicators of inappropriate usage may include call origination, call destination, call holding times, frequency of calls, and other calling-pattern data. Where the Company (at its sole discretion) determines that a customer's calling patterns indicate usage that is not residential in nature, the customer will be contacted and invited to amend their use of the service or select a service more appropriate to their needs. Subsequent to that notification, if a customer continues to use the service in an inappropriate manner, the Company will temporarily restrict the customer's ability to place offending calls until a mutually agreeable resolution can be reached.

10.1. GRANDFATHERED RESIDENTIAL LOCAL SERVICE (CONT'D)

10.1.2. LOCAL ONLY OFFER

The Local Only Offer is provided as stand-alone local offer not associated with a long distance service, and is subject to monthly recurring charges on a per access line basis. The Local Only Offer provides the customer with a local access line, touch-tone service, and unlimited calls within the customer's local calling area. Block of Time and By the Minute Offers, provided in this tariff, may be added to Local Service.

The Local Only Offer is the Access Line Component of a Customer's Service.

Customers subscribing to plans requiring Company subscription for Intrastate and Interstate long distance who subsequently select an alternate Intrastate or Interstate Carrier become Local Only customers and are subject to applicable monthly charges for custom calling features as set forth in Section 7, preceding, and toll usage rates as set forth in Section 9, preceding.

10.1.3 ADDITIONAL LINES

Additional lines may be added to any of the above offers, up to a total of four lines per account. A monthly charge will be assessed for each additional line.

10.1.4. LATA WIDE CALLING PLAN

Customers located in LATA 358 who subscribe to Comcast Residential Local Service may also subscribe to the LATA-Wide Calling Plan. This plan provides the customer with a 500 minute block-of-time of IntraLATA long distance calling per monthly billing cycle. Additional IntraLATA long distance usage will be rated on a per minute basis. Customers who order the LATA-Wide Calling Plan must be presubscribed to Comcast for IntraLATA long distance calling. The following types of calls do not apply toward minutes included in the LATA-Wide Calling Plan: Operator Assisted calls, calls to Information Service Providers, or calls to Toll Free Dialing numbers. Block-of-time usage is measured per billing cycle, based on all applicable usage on all lines associated with the account. Unused portions of the allowance will not be credited to a customer's account, carried over to another billing cycle, or transferred to another account. Customers who subscribe to a Block-of-Time, Comcast Connections or Comcast Complete Offer may also enroll in the LATA-Wide Calling Plan. All IntraLATA usage for these customers will be applied to the LATA-Wide Calling Plan block-of-time; Intrastate/InterLATA and Interstate usage will be applied to the offer to which the customer is subscribed.

Rates for the LATA Wide Calling Plan are specified in the Price Schedules of this section.
