4. BUNDLED SERVICES

4.1. GENERAL

This section contains optional bundled offerings of the Company that include regulated local exchange services along with regulated services under another tariff of the Company as well as non-regulated services such as Internet and Cable TV. Those services included in these bundles that are not covered by the Company's tariffs will be marked with the symbol "*" where they appear in the service description and regulations in this section of the Tariff.

4.2. GRANDFATHERED INTEGRATED OFFERING [1]

The Integrated Offering is available to residential customers only, and is provided in conjunction with an associated long distance service provided by the Company. Customers who order the Integrated Offering must be presubscribed to the Company for both Intrastate and Interstate long distance.

The Integrated Offering is subject to monthly recurring charges and/or per minute usage, on a per access line basis. Each of the following offers provides customers with the option of one to four access lines. The customer may add one additional line per offer, up to a total of four lines per single-family account. For each local access line a customer may subscribe to one of the following options.

[1] Service is discontinued effective April 21, 2008.

4.2. GRANDFATHERED INTEGRATED OFFERING (CONT'D) [1]

4.2.1. BLOCK OF TIME OFFERS [1]

The following Block of Time plans provide the customer with unlimited calls within their Local Calling Area and a specified amount of long distance calling for a flat monthly fee. The following types of calls do not apply towards minutes included in any of the block-of-time plans listed below: Operator Assisted calls, Calling Card calls, Information Service Provider calls (i.e., 976, 900), international calls, or calls to toll free dialing numbers. Block of Time usage is measured per month, based on all applicable usage on all lines associated with the account. Unused portions of the monthly allowance will not be credited to a subscriber's account, carried over to another month, or transferred to another account. Optional features are available for an additional monthly charge, as specified in Section 3.5 of this Tariff.

A. 180 Minute Block of Time Offer [1,2]

The 180 Minute Block of Time offer provides the customer with a local access line, touch-tone service, unlimited calls within the customer's local calling area, and 180 minutes of domestic long distance calling per monthly billing period. Additional Intrastate long distance calling will be rated on a per minute basis as specified in Comcast Interexchange Services Tariff V.S.C.C. No. 2, Section 3.

B. 300 Minute Block of Time Offer [1,2]

The 300 Minute Block of Time offer provides the customer with a local access line, touch-tone service, unlimited calls within the customer's local calling area, and 300 minutes of domestic long distance calling per monthly billing period. Additional Intrastate long distance calling will be rated on a per minute basis as specified in Comcast Interexchange Services Tariff V.S.C.C. No. 2, Section 3.

C. 600 Minute Block of Time Offer [1,3]

The 600 Minute Block of Time offer provides the customer with a local access line, touch-tone service, unlimited calls within the customer's local calling area, and 600 minutes of domestic long distance calling per monthly billing period. Additional intrastate long distance calling will be rated on a per minute basis as specified in Comcast Interexchange Services Tariff V.S.C.C. No. 2, Section 3.

[1] Service is discontinued effective April 21, 2008.

[2] Service is grandfathered to existing service arrangements at existing locations for customers of record as of March 31, 2007.

4.3. GRANDFATHERED SERVICE PACKAGES [1,2]

A. Package Description (Cont'd)

7. Comcast Connections Any Distancetm Plan [1,2]

The Comcast Connections Any Distance plan provides the residential customer with one access line, unlimited local calling, Caller ID, Call Waiting, Call ID with Call Waiting, Call Return, LD Alert, and unlimited usage that the customer may use for local toll, intrastate, or interstate direct-dialed calling. Additional access lines and custom calling features (excluding Call Forwarding Remote Access) may be ordered by the customer on an a la carte basis at an additional charge.

To enroll in the Comcast Connections Any Distance plan, the customer must subscribe to Comcast as their primary interLATA carrier, primary intraLATA carrier, and local exchange carrier.

The Comcast Connections Any Distance plan is offered subject to the availability of existing facilities and systems. Service is limited to use by the customer, members of the customer's household, and occasional guests. The Company may monitor the customer's usage to ensure that such usage is consistent with the applicable restrictions and limitations on residential versus business service. Participation may be terminated for customers who utilize service in a manner or for a purpose other than those described herein. Due to the bulk nature of the usage, call detail is not automatically provided on the monthly billing statement. Upon customer request, such detail will be provided under separate cover.

Unused minutes are not transferable and may not be accumulated from one month to another. Such unused minutes in any month revert to the Company, and in no event shall Comcast be obligated to provide any credit or monetary sum to the customer.
