(T)

LOCAL EXCHANGE SERVICE

6. OBSOLETE SERVICES

(T)

6.1. RESIDENTIAL LOCAL SERVICE (WITHDRAWN OCTOBER 15, 2007)

(T)

Residential Local Service provides the customer with an access line and usage within a local calling area for the transmission of two-way interactive switched voice or data communications. Local Calling Areas are described in Section 3.1 of this Tariff.

The Company's services are furnished subject to the availability of facilities and equipment within the customer's local serving area and are subject to the terms and conditions of this Tariff.

Residential Local Service is offered as a stand-alone local offer or in conjunction with an associated long distance service provided by the Company.

Residential Local Services are subject to monthly recurring charges and for certain call types, per minute usage rates and/or service charges on a per access line basis, as specified following.

6.1.1. INTEGRATED OFFERING

The Integrated Offering is provided to customers in conjunction with an associated long distance service provided by the Company. Customers who are subscribed to the Integrated Offering must be presubscribed to the Company for both IntraLATA and InterLATA long distance.

The Integrated Offering is subject to monthly recurring charges and/or per minute usage, on a per access line basis. Monthly charges for the Integrated Offering consist of a Line Component and a Usage Component, as set forth in Section 6.1.4, following.

6.1. RESIDENTIAL LOCAL SERVICE (CONT'D) (WITHDRAWN OCTOBER 15, 2007)

(T)

6.1.1. INTEGRATED OFFERING (CONT'D)

A. Block-of-Time Offers

The following Block-of-Time plans provide the customer with unlimited calls within their Local Calling Area and a specified amount of long distance calling for a flat monthly fee. The following types of calls do not apply towards minutes included in any of the block-of-time plans listed below: Operator Assisted calls, Calling Card calls, 900/976 Information Service Provider calls, International calls, or calls to toll free dialing numbers.

Block-of-Time usage is measured per month, based on all applicable usage on all lines associated with the account. Additional Intrastate long distance usage will be rated on a per minute basis as specified in Section 9. Rates for Interstate and International usage may be found in the Company's Service Guides located at <http://www.comcast.com/tariffs/>. Unused portions of the monthly allowance will not be credited to a subscriber's account, carried over to another month, or transferred to another account.

1. 180 Minute Block of Time Offer [1]

The 180 Minute Block of Time offer provides the customer with a local access line, touch-tone service, unlimited calls within the customer's local calling area, and 180 minutes of domestic long distance calling per monthly billing period.

2. 300 Minute Block of Time Offer [1]

The 300 Minute Block of Time offer provides the customer with a local access line, touch-tone service, unlimited calls within the customer's local calling area, and 300 minutes of domestic long distance calling per monthly billing period.

3. 600 Minute Block of Time Offer [2]

The 600 Minute Block of Time offer provides the customer with a local access line, touch-tone service, unlimited calls within the customer's local calling area, and 600 minutes of domestic long distance calling per monthly billing period.

[1] Service is grandfathered to existing customers of record as of May 1, 2007.

[2] Service is grandfathered to existing customers of record as of August 25, 2003.

(T)

6.1.1. INTEGRATED OFFERING (CONT'D)

A. Block-of-Time Offers (Cont'd)

4. 1000 Minute Block of Time Offer [1]

The 1000 Minute Block of Time offer provides the customer with a local access line, touch-tone service, unlimited calls within the customer's local calling area, and 1000 minutes of domestic long distance calling per monthly billing period.

B. "By the Minute" Offer [2]

The "By the Minute" offer provides the customer with a local access line, touch-tone service, unlimited calls within the customer's local calling area, and Intrastate long distance Dial Station calling rated on a per minute basis as specified in Section 9. Rates for Interstate and International usage may be found in the Company's Service Guides located on the internet at <http://www.comcast.com/>.

6.1.2. LOCAL ONLY OFFER [2]

The Local Only Offer is provided as a stand-alone local offer not associated with a long distance service. The Local Only Offer provides the customer with a local access line, touch-tone service, and unlimited calls within the customer's local calling area. The Local Only Offer is subject to a monthly recurring charge per access line, as set forth in Section 6.1.4.A, following.

Subscribers to the Local Only Offer who select the Company as their long distance provider will receive the Intrastate long distance rates as set forth in Section 9.6.2, following.

6.1.3. ADDITIONAL LINES [2]

A monthly charge will be assessed for each additional line, as set forth in Section 6.1.4.C, following.

[1] Service is grandfathered to existing customers of record as of August 25, 2003.

[2] Service is grandfathered to existing customers of record as of May 1, 2007.

F. Comcast Complete™ 300

Provides a local access line in combination with the Premium Pack optional feature package and the 300 Minute Block-of-Time usage component (as described in 6.1.1.A.2, preceding).

G. Comcast Connections Any Distance™ Plan

1. The Comcast Connections Any Distance plan provides the residential customer with one access line, unlimited local calling, the Value Pack Optional Feature Package described in Section 7.1.2.C, following, and unlimited direct-dialed domestic long distance calling.
2. To enroll in the Comcast Connections Any Distance plan, the customer must subscribe to Comcast as their primary interLATA carrier, primary intraLATA carrier, and local exchange carrier.
3. Service is limited to residential voice applications and the use of service is limited to the customer, members of the customer's household, and occasional guests. The use of the service for commercial applications, resale, internet access or telemarketing is prohibited. In addition, the use of auto dialers, polling devices, remote access to call forwarding, three-way calling (other than incidental usage) and other devices and/or dialing arrangements with the intent to avoid payment of otherwise applicable long distance charges is prohibited.

6.1.5. COMCAST SERVICE PACKAGES [1] (CONT'D)

G. Comcast Connections Any Distance™ Plan (Cont'd)

4. The Company will undertake periodic reviews of traffic on its network to determine appropriate use of this calling plan. Indicators of inappropriate usage may include call origination, call destination, call holding times, frequency of calls, and other calling-pattern data. Where the Company (at its sole discretion) determines that a customer's calling patterns indicate usage that is not residential in nature, the customer will be contacted and invited to amend their use of the service or select a service more appropriate to their needs. Subsequent to that notification, if a customer continues to use the service in an inappropriate manner, the Company will temporarily restrict the customer's ability to place offending calls until a mutually agreeable resolution can be reached.
5. Unused minutes are not transferable and may not be accumulated from one month to another. Unused minutes in any month revert to the Company. In no event shall the Company be obligated to provide any credit or monetary sum to the customer.
6. Due to the bulk nature of the usage, call detail is not provided on the monthly billing statement. However, upon customer request, such detail will be provided under separate cover.

(T)

6.2. LIFELINE SERVICE [1] (WITHDRAWN OCTOBER 15, 2007)

(T)

6.2.1. GENERAL

Lifeline service provides a reduction in the monthly rate for the provision of local residential service for qualified customers.

6.2.2. REGULATIONS

- A. Lifeline service is available only to qualified customers who meet the following requirements:
1. Applicant must meet the requirements of a state established income test.
 2. Applicant must not be a dependent for federal income tax purposes, unless applicant is more than 60 years of age.
 3. Applicant must be eligible for or receiving assistance from a low income assistance or energy assistance program administered by the Department of Income Maintenance and Human Resources, or eligible for or receiving Supplemental Security Income from the Social Security Administration. The list of qualifying programs will be maintained by the Department of Public Utility Control.
- B. Lifeline service applies only for a single telephone line for the principal residence of the eligible applicant.
- C. The Company will provide Lifeline service only with the Local Only Offer, as specified in Section 6.1.2.
- D. Lifeline service customers will pay a reduced monthly recurring charge for a local access line. The customer may subscribe to standard features and services at the applicable rates, charges and regulations for each feature and service provided. Premium services offered by the Company will not be available.
- E. Lifeline service will be provided to a customer only so long as such customer continues to meet the Company's participation and certification guidelines.
- F. Lifeline service customers are subject to all residential service regulations in this and other Tariffs of the Company.

[1] Service is grandfathered to existing customers of record as of May 1, 2007.
