## TELECOMMUNICATIONS SERVICES TARIFF

### 1. APPLICATION OF TARIFF

#### 1.1 GENERAL

This Tariff applies to the furnishing of certain Telecommunications Services, defined herein, by Comcast Phone of Colorado, LLC (hereinafter referred to as “Comcast” or “the Company”). Services are furnished for the use in placing and/or receiving telephone calls within the State of Colorado. Services, features and functions will be provided where facilities, including but not limited to billing and technical capabilities, are available.

The provision of services is subject to the existing regulations, terms and conditions specified in this Tariff and the Company’s current tariffs and may be revised, added to, or supplemented by subsequent tariffs.

Comcast reserves the right to offer its Customers a variety of services as deemed appropriate by the Company.

#### 1.2 TARIFF REVISION SYMBOLS

These symbols will appear in the right hand margin, when applicable.

- (C) Change in text due to a changed regulation, term, or condition, which does not affect rates
- (D) Discontinued service or deleted material
- (I) Rate increase
- (R) Rate reduction
- (M) Material moved from or to another part of the utility’s tariff; a footnote indicating where the material was moved from and where the material was moved to shall accompany all “M” classified changes
- (N) New material, including new products, rates, terms, or conditions
- (T) Change in text not related to changes in rates, charges, terms, or conditions

### 1. APPLICATION OF TARIFF

#### 1.4 DEFINITIONS

Comcast Phone Service

Comcast Phone Service provides the Customer with a service configuration, features, and ancillary services as described in the appropriate service description and rate schedule for the transmission of two-way interactive switched voice or data communications. The primary use of the service is of a domestic nature.

Customer

The person or legal entity that subscribes to service under this Tariff and is responsible for payment of charges for services furnished to that Customer.

Customer Premises

A Customer Premises is all space in the same building occupied by a Customer and all space occupied by the same Customer in different buildings on contiguous property. Certain of the Company's service offerings will connect a Customer's multiple physical locations.

Local Calling Area

The area in which a Customer of Comcast Phone Service may place a local call without incurring long distance charges.

Local Serving Area

The area in which the Company has the technical capability to provide service.

Station/Terminal Equipment

Equipment provided by the Customer to establish communication. This equipment must include a signaling unit and other transmission equipment required to terminate one end of a service at that location.
