B. Terms and Conditions (Cont'd)

5. Call begins when the call is answered by the called party or an automated answering device (such as an answering machine or fax machine); it ends when one of the parties disconnects the call. Some providers charge for a completed call when the called party's line rings or after a certain number of rings. If such a provider charges Comcast, its affiliates, or suppliers on that basis, Comcast will charge for a completed call.
6. Subscription is limited to one Carefree Minutes® World Select 300 per account. This plan cannot be used in combination with other plans that include the same countries. Minutes included in the plan are available to any line on the account. Unused minutes revert to the Company.
7. Availability: Carefree Minutes® World Select 300 subscription availability is limited to locations where billing and technical resources are available. Service may not be offered in all areas.

C. Rates and Charges

1. All requirements as outlined in the Comcast Xfinity Voice Subscriber Agreement apply to this service. If the customer discontinues Comcast Xfinity Voice Service, the customer will no longer qualify for this plan.
2. All calls over the 300 minute maximum included in this service plan will be billed at the rates listed in the following rate table.
