**4. SPECIAL ACCESS SERVICE**

**4.1. GENERAL**

Except as set forth in 4.2 and 4.3 following, Special Access Services are not generally available but may be provided subject to the terms, conditions, and limitations set forth in Section 5.2, following, for Special Assemblies and Individual Case Basis Arrangements.

(M)

**4.1.1. DEFINITIONS**

The following definitions apply to Comcast Services in Section 4.

(M)

(T)

(T)

- A. “Agreement” consists of the Enterprise Master Services Agreement executed by the Customer and accepted by Comcast, the Product-Specific Attachment, the terms and conditions contained in this Service Guide, any written amendments executed by both parties, and each Sales Order accepted by Comcast under the Agreement.
- B. “Comcast” refers to the operating company affiliate or subsidiary of Comcast that provides the Services.
- C. “Comcast Equipment” refers to any and all facilities, equipment or devices provided by Comcast or its authorized contractors at the Service Location(s) that are used to deliver any of the Services including, but not limited to, all terminals, wires, modems, lines, circuits, ports, routers, gateways, switches, channel service units, data service units, cabinets, and racks. Notwithstanding the above, inside telephone wiring within the Service Location, whether or not installed by Comcast, shall not be considered Comcast Equipment.
- D. “Customer” refers to the company, corporation or other entity that purchases Services from Comcast.
- E. “Estimated Availability Date” means the target date for delivery of Service
- F. “Interconnection Facilities” means transmission capacity provided by Comcast, Customer or a third-party supplier to extend the Comcast Equipment from a Comcast terminal to any other location (e.g., a local loop provided by a local exchange company or other communications company).

**4.1. GENERAL (CONT'D)**

**4.1.1. DEFINITIONS (CONT'D)**

- G. “Jitter”, also known as Frame Delay Variation, is defined as the short-term variations measured for a portion of successfully delivered service frames over a 30 day period.
- H. “Latency”, also known as Frame Delay, is defined as the maximum delay measured for a portion of successfully delivered service frames over a 30 day period.
- I. “Objective” – As it relates to Technical Specifications and Performance Standards is the definition of how the Service is provisioned. It does not constitute a guarantee. For guarantees, please see Section 4.2.15 – Service Level Agreement (SLA).
- J. “Off-Net” - means geographical locations that are outside of Comcast’s service area and/or geographical locations that are within Comcast’s service area generally, but are not readily accessible by Comcast Network facilities. All Off-Net Services are provided by third-party service providers.
- K. “On-Net” - means geographical locations where Comcast currently provides Services through its Comcast Network. On-Net Services may be provisioned over a fiber optic network, or via a hybrid fiber coax network (“HFC Network”), as available through Comcast.
- L. “Packet Loss”, also known as Frame Loss, is the difference between the number of service frames transmitted at the ingress UNI and the total number of service frames received at the egress UNI over a 30 day period.
- M. “Planned Service Interruption” means any Service Interruption caused by planned work such as scheduled maintenance or planned enhancements or upgrades to the network.
- N. “Product Specific Attachment(s) (PSA)” refers to the additional terms and conditions applicable to Services ordered by Customer under the Agreement.
- O. “Sales Order” means a request for Comcast to provide the Services to a service location submitted by Customer to Comcast (a) on a then-current Comcast form designated for that purpose or (b) if available, through a Comcast electronic order processing system designated for that purpose.

**4. SPECIAL ACCESS SERVICE**

**4.1. GENERAL (CONT'D)**

**4.1.1. DEFINITIONS (CONT'D)**

- P. "Service" means (1) Ethernet Transport Services, when used in 4.2 of this Section and (2) Business Wavelength Services when used in 4.3 of this Section.
- Q. "Service Commencement Date" means the date(s) on which Comcast first makes Service available for use by Customer. A single Sales Order containing multiple Service Locations or Services may have multiple Service Commencement Dates.
- R. "Service Interruption" means a complete loss of signal that renders the Service unusable.
- S. "Service Location" means the Customer location(s) where Comcast provides Services, to the extent the Customer owns, leases, or otherwise controls such location(s).
- T. "Service Term" means the duration of time (commencing on the Service Commencement Date) for which Services are ordered, as specified in a Sales Order.
- U. "Termination Charges" refers to charges that may be imposed by Comcast if, prior to the end of the applicable Service Term (a) Comcast terminates Services for cause or (b) Customer terminates Services without cause. Termination Charges are as set forth in each PSA, and are in addition to any other rights and remedies under the Agreement.

**4.2. ETHERNET TRANSPORT SERVICES**

Comcast's Ethernet Transport Services will be provided in accordance with the service descriptions, technical specifications, and performance standards set forth in this Section 4.2 of this Service Guide. If any of the definitions or regulations contained in this Section 4.2 conflict with those elsewhere in this Service Guide, those contained in this Section 4.2 shall prevail.

Service is offered subject to facility and equipment availability. Intrastate Ethernet Transport Service may only be purchased by Customers whose traffic on the service will be at least 90% intrastate in nature.

**4.2.1. DEFINITIONS**

Definitions for this Service are set forth in Section 4.1.1.

**4.3. BUSINESS WAVELENGTH SERVICES**

(N)

Comcast's Business Wavelength Services will be provided in accordance with the service descriptions, technical specifications, and performance standards set forth in this Section 4.3 of this Tariff. If any of the definitions or regulations contained in this Section 4.3 conflict with those elsewhere in this Service Guide, those contained in this Section 4.3 shall prevail.

**4.3.1. DEFINITIONS**

Definitions for this Service are set forth in Section 4.1.1.

**4.3.2. PROVISIONING ENTITY**

Service shall be provided by Comcast Business Communications, LLC or its applicable affiliates and subsidiaries.

Comcast may provide Customer with Service and fiber maps during the term of the Agreement to further describe Service availability. Such maps are hereby deemed Comcast Confidential Information.

**4.3.3. REGULATORY APPROVAL; TRAFFIC MIX**

Comcast's pricing for Service may be subject to FCC, public service commission or other regulatory approval. Further, Customer represents that its use of Service hereunder will be jurisdictionally intrastate. If Customer's use of the Service now or at any time in the future is jurisdictionally interstate, Customer shall immediately notify Comcast of the same in writing. Further, Comcast reserves the right, in its reasonable sole discretion, to reclassify Customer's use of Service as jurisdictionally interstate or intrastate, as appropriate. Customer agrees to indemnify and hold Comcast harmless from any claims by third parties resulting from or arising out of Customer's failure to properly represent or certify the jurisdictional nature of its use of the Service(s).

**4.3.4. SPECIAL CONSTRUCTION**

All rates and charges quoted herein provide for the furnishing of facilities when suitable facilities are available or where the design or construction of the necessary facilities does not involve unusual costs. When, at the request of Customer, Comcast designs and/or constructs facilities that it would otherwise not construct, or the construction of such facilities involves a greater expense than would otherwise be incurred, Special Construction nonrecurring charges may apply.

Once Comcast accepts a Sales Order for Service, Comcast will invoice Customer for all special construction fee(s). Customer will pay such fee(s) within thirty (30) calendar days of the invoice date unless a payment schedule is specified in the applicable Service Order.

**4.3.5. PROVISIONING INTERVAL**

Following its acceptance of a Sales Order, Comcast shall notify Customer of the Estimated Availability Date applicable to that Sales Order. Comcast shall use commercially reasonable efforts to provision the Service on or before the Estimated Availability Date; provided, however, that Comcast's failure to provision by said date shall not constitute a breach of the Agreement.

**4.3.6. SERVICE COMMENCEMENT DATE**

Comcast shall inform Customer when Service is available and performing in accordance with the "Technical Specifications" set forth in Section 4.3.11 ("Availability Notification"). Charges for Service shall begin to accrue as of the Service Commencement Date. The Service Commencement Date shall be the earliest of: (A) the date on which Customer confirms receipt of and concurrence with the Availability Notification; (B) five (5) business days following the date of the Availability Notification, if Customer fails to notify Comcast that the Service does not comply materially with the Technical Specifications; or (C) the date on which Customer first uses the Service.

**4.3.7. MINIMUM SERVICE TERM**

The charges set forth or referenced in each Sales Order have been extended to Customer in reliance on the Service Term set forth therein. To the extent that a Service Term has not been expressly set forth in a Sales Order, the minimum Service Term for Services is thirty-six (36) months.

**4.3.8. TERMINATION CHARGES**

- A. In the event that Service is terminated prior to the Service Commencement Date, Customer shall pay Termination Charges equal to the costs and expenses incurred by Comcast in installing or preparing to install the Service plus twenty percent (20%).
- B. In the event that Service is terminated on or following the Service Commencement Date but prior to the end of the applicable Service Term, Customer shall pay Termination Charges equal to a percentage of the monthly recurring charges remaining for the unexpired portion of the then-current Service Term, calculated as follows:
  - 1. 100% of the monthly recurring charges with respect to months 1-12 of the Service Term; plus
  - 2. 80% of the monthly recurring charges with respect to months 13-24 of the Service Term; plus
  - 3. 65% of the monthly recurring charges with respect to months 25 through the end of the Service Term; plus
  - 4. 100% of any remaining, unpaid Special Construction Fees.
- C. Termination Charges shall be immediately due and payable upon cancellation or termination and shall be in addition to any and all accrued and unpaid charges for the Service rendered by Comcast through the date of cancellation or termination.
- D. Exclusions

If either party is in material breach of the Agreement, other than a breach of a payment obligation, and the breach continues un-remedied for thirty (30) days after written notice of default, the other party may terminate for cause any Sales Order or statement of work (SOW) materially affected by the breach. If Customer is in breach of a payment obligation (including failure to pay a required deposit) and fails to make payment in full within ten (10) days after receipt of written notice of default, Comcast may, at its option, terminate the Agreement, terminate the affected SOWs and/or Sales Orders, suspend Service under the affected SOWs and/or Sales Orders, and/or require a deposit, advance payment, or other satisfactory assurances in connection with any or all SOWs and/or Sales Orders as a condition of continuing to provide Service; except that Comcast will not take any such action as a result of Customer's non-payment of a charge subject to a timely billing dispute. Termination by either party of this Agreement, a SOW and/or Sales Order does not waive any other rights or remedies that it may have under this Agreement. The non-defaulting party shall be entitled to all available legal and equitable remedies for such breach.

**4.3.8. TERMINATION CHARGES (CONT'D)**

E. Portability

Customer may terminate an existing Service and turn up a replacement Service (i.e., having different termination points on Comcast's network) without incurring Termination Charges with respect to the existing Service, provided that (a) the replacement Service must have a Service Term equal to or greater than the remaining Service Term of the existing Service; (b) the replacement Service must have monthly recurring charges equal to or greater than the monthly recurring charges for the existing Service; (c) Customer submits a Sales Order to Comcast for the replacement Service within ninety (90) days after termination of the existing Service and that order is accepted by Comcast; (d) Customer reimburses Comcast for any and all installation charges that were waived with respect to the existing Service; and (e) Customer pays the actual costs incurred by Comcast in installing and provisioning the replacement Service.

F. Upgrades and Features

Customer may upgrade the speed of an existing Service or convert an unprotected existing Service to a protected existing Service (as further described in Section 4.3.10) without incurring Termination Charges, provided that (A) the upgraded Service must assume the remaining Service Term of the existing Service; (B) the upgraded Service must have the same points of termination on Comcast's network as the existing Service; (C) Customer submits a Sales Order to Comcast for the upgraded Service and that order is accepted by Comcast; (D) Customer pays Comcast's applicable nonrecurring charges, including but not limited to special construction fees, and right-of-entry fees, for the upgraded Service; and (E) Customer agrees to pay the applicable monthly recurring charges for the upgraded Service commencing with the Service Commencement Date for such upgraded Service.

**4.3.9. ADDITIONAL INFORMATION**

As necessary for the interconnection of the Service with services provided by others, Comcast may request (as applicable), and Customer will provide to Comcast, circuit facility assignment information, firm order commitment information, and design layout records necessary to enable Comcast to make the necessary cross-connection between the Service and Customer's other service provider(s). Comcast may charge Customer nonrecurring and monthly recurring charges to make such connections.

**4.3.10. BUSINESS WAVELENGTH SERVICES DESCRIPTION**

The Service is a point-to-point service delivered over a dense wave division multiplexing (DWDM) network as either an unprotected or protected circuit.

- A. Unprotected. A point-to-point non-diverse linear circuit along a single fiber route terminating on single Comcast-owned Network Terminating Equipment (NTE) at each circuit endpoint.
- B. Protected. A point-to-point circuit utilizing two diverse physical outside plant (OSP) fiber paths between the nearest point of divergence at each circuit endpoint. This circuit employs diverse line cards and dual power supplies on single chassis transport equipment, and diverse line cards or dual line interface ports terminating on a single customer interface port on single Comcast-owned NTE at each circuit endpoint. Only one Service path is active at a given time. Comcast provides protection switching at NTE between the diverse Service paths.

**4.3.12. SERVICE MONITORING, TECHNICAL SUPPORT AND MAINTENANCE**

- A. Network Monitoring - Comcast monitors Services on a 24x7x365 basis.
- B. Technical Support - Comcast provides a toll-free trouble reporting telephone number to the Network Operations Center that operates on a 24x7x365 basis. Comcast provides technical support for service related inquiries. Technical support will not offer consulting or advice on issues relating to equipment not provided by Comcast.
- C. Maintenance - Comcast's standard maintenance window for Services is Sunday to Saturday from 12:00 am to 6:00 am local time. Scheduled maintenance for Services is performed during the maintenance window and will be coordinated between Comcast and the Customer. Comcast provides a minimum three (3) business days' notice for maintenance expected to impact service for <=50ms. Comcast provides a minimum of seven (7) business days' notice for maintenance expected to impact service for >50ms. Emergency maintenance is performed as needed without advance notice to Customer.

**4.3.13. INTRASTATE WAVELENGTH SERVICE LEVEL AGREEMENTS (SLA)**

Comcast's Intrastate Comcast Business Wavelength Services are backed by the following Service Level Agreement (SLA):

**A. Availability SLA**

Comcast's liability and Customer's sole remedy for Service Interruptions, and errors, omissions, interruptions, delays, outages, or defects in transmission or switching of any Services (individually or collectively, "Liability"), shall be limited to the amounts set forth in the tables below ("Availability Credit"). For the purposes of calculating credit for a Service Interruption, the length of Service Interruption begins when the Customer reports such Service Interruption and a trouble ticket is opened, and concludes upon the closing of the same trouble ticket or, if sooner, the termination of the Service Interruption, less any time Comcast is awaiting additional information or premises testing from the Customer. The length of Service Interruptions for separately occurring Service Interruptions will not be aggregated for purposes of determining Availability Credit allowances. For purposes of calculating the Service credit percentage in the following tables, only the MRC of the impacted wavelength circuit shall apply. To qualify, Customer must request the Availability Credit from Comcast within thirty (30) days of the beginning of the Service Interruption. Comcast shall not incur any Liability, including availability credit, for any failure of the Services caused by force majeure events, Planned Service Interruptions, Customer actions, omission or equipment, or any other items set forth in the "Exceptions to Credit Allowances" Section 4.3.14.B following.

**4.3.14. EXCEPTIONS AND TERMS APPLICABLE TO ALL SLAS**

**A. Remedy Processes**

All claims and rights arising under this Service Level Agreement must be exercised by Customer in writing within the time period set forth in Section 4.3.13.A., preceding. The Customer must submit the following information to the Customer's Comcast account representative with any and all claims for credit allowances: (a) Organization name; (b) Customer account number; and (c) basis of credit allowance claim (including date and time, if applicable). Comcast will acknowledge and review all claims promptly and will inform the Customer by electronic mail or other correspondence whether a credit allowance will be issued or the claim rejected, with the reasons specified for the rejection.

**B. Exceptions to Credit Allowances**

Comcast's failure to meet either of the SLAs set forth in 4.3.13 shall not qualify for the remedies set forth herein if such failure is related to, associated with, or caused by: Planned Service Interruptions or other scheduled maintenance events; Customer actions or inactions; Customer-provided power or equipment; any third party not contracted through Comcast, including, without limitation, Customer's users, third-party network providers, any power, equipment or services provided by third parties; or an event of force majeure as defined in the Agreement

**C. Other Limitations**

The total credit allowance per calendar month under Section 4.3.13 is capped at 50% of that month's MRC for the impacted portions of the Service. In addition, the remedies set forth in this Service Level Agreement shall be Customer's sole and exclusive remedies for any Service Interruption, outage, unavailability, delay, or other degradation, or any Comcast failure to meet the service objectives.

If an End User disputes a change in service, the Company will investigate the origin of the change. If the change was due to a Company error, the original service will be restored free of charge. If the change was submitted by a Customer or a third party and either the Customer or the third party is unable to produce evidence of the End User's consent then the responsible Customer or third party will be responsible for all charges and penalties associated with the unauthorized change.

**5.3. SPECIAL ASSEMBLIES AND INDIVIDUAL CASE BASIS ARRANGEMENTS**

Arrangements will be developed on an Individual Case Basis (ICB) in response to a bona fide request from a Customer or prospective customer to develop a bid for any switched or special access service that the Company is technically capable of providing but which is not offered under this Service Guide (special assembly), or to develop a competitive bid for a service that the Company offers under this Service Guide (ICB). Rates quoted in response to such competitive requests may be different than those specified for such services in this Service Guide. ICB and special assembly rates will be offered to the Customer in writing and on a nondiscriminatory basis. Customers served on a non-regulated basis for services offered under this Service Guide as of the effective date hereof shall be entitled to continue their existing serving arrangements under the same terms and conditions as "special assemblies," but those terms and conditions will not necessarily be available to new Customers when the same service is available under this Service Guide. In addition, the Company may from time to time offer promotional or other special discounts to Customers who initiate service within the time contemplated by the promotional or other special discount offer.
